GENERAL C. H. GROSVENOR of Athens is being boomed for the Ohio Republican gubernatorial nomination.

THE output of minerals in the United States has increased more than 100% during the past ten years. This is a greater ratio of increase than agriculture has exhibited during the same period.

The venerable Mrs. Margaret Otto fell off a step ladder Tuesday at her in Limestone street and sustained a badly sprained ankle.

Mrs. Mary E. Wells of West Third street, who sustained a fractured hip several days ago, is doing as well as could be expected.

Wilson Hospital patients—Mr. E. L. Cabbish and Mr. H. C. Herndon are doing nicely; little Henry Breeze and Miss Sutton are ready to be sent home.

Mr. Curtis Williamson, formerly of this city, died in Central Kentucky Tuesday. His remains arrived here over the L. and N. this morning at 10 o'clock and were taken direct from the Depot to the Maysville Cemetery for burial.

AMUSEMENTS.

Last night a \$400 house greeted "The Climax," the Weber production by John Locke. Its equal, as one of nature's pathetic stories, has never been seen in this city. It is a play in three acts with a dramatic personae of only four character, three men and a girl, Miss Anna Swinburne, who played the part of "Adeline Von Hagen," the music pupil. Her work was intensely real and satisfying and her singing of the various numbers, and her practice songs, were exquisitely charming. "The Song of the Soul" at the close of the curtain was a mind-picture long to be remembered. The acting of Arthur Cogleiser, Chester Barnett and Thomas Sinclair, gave equal support to the role of the young lady and marked each of the four as masters of histrionic interpretation. "The Climax" is one of the most beautiful, pathetic and soul-stirring musical-comedy dramas, or playlets, we ever saw. It has dignity, depth and is so natural-life-like and so handsomely done, and with that indefinable something which sets one to thinking of the truly human and the elevating spiritual sides of existence. It must come here again.

THE man or firm who raises the price of a commodity "because of the Tariff" is an impostor. There is no Tariff rate in the new law that necessitates an increase of price of any article.—Clintwood (Va.) Journal.

It is said that the Banks of New York hold between \$500,000,000 and \$1,000,000,000 worth of stocks and bonds for foreign investors who have recently transferred their investments from their home countries in order to evade the payment of income taxes.

The Payne Tariff reduced the duty on pig iron from \$4 a ton to \$2.50 a ton, and yet that very week the price advanced from \$16 to \$16.50 or \$17, according to locality. This naturally makes the "plain people" wonder why "revision downward" does not benefit Mr. BOUTELL'S "ultimate consumer."

BIRTHS.

Born, Sunday, to the wife of Mr. John Ellis in Lee street, a bouncing and pretty son.

Mason Circuit Court.

In the Circuit Court yesterday the United States Fidelity and Guarantee Company was fined \$150 for conducting business without a license.

Benjamin P. Fleming was granted a divorce from Lillian H. Fleming.

Frank Hasson was assessed with a fine of \$35 and costs for gambling.

John Burk was assessed with a fine of \$200 and costs for permitting gambling in a house under his control.

Mary Green was acquitted of charges preferred. The Petit Jury was dismissed until Monday.

Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars free. F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 7c. Take Hall's Family Pills for constipation.

A marriage license was granted at Newport Wednesday to Charles Arnold of Tollesboro and Miss Pearl Bilya of Concord.

Mr. Henry Arnold, aged 89, the venerable old wagonmaker of Fleming county, was buried yesterday from his home in Mt. Carmel. He was an uncle of Mr. Dud Fizer of East Fourth street, this city.

Mr. M. J. Kenney, the faithful old gatekeeper at Wood street crossing, C. and O., was taken suddenly ill yesterday and had to be removed to his home in Forest avenue. He is reported better this morning.

Without a moment's warning and without uttering a word, Joel T. Flesher, prominent horseman, fell dead in the arena at the Bourbon Fairgrounds at Paris while acting as Judge.
